Don't Toss 'Em-
Battery Recycling

NORTH CENTRAL NEBRASKA RC&D

At the Atkinson Fire Department Open House
October 11th
Atkinson, NE

Your old batteries don't belong in the trash. Even dead batteries still hold enough charge to spark fires. Drop them off and recycle right!

Not Accepted

- No damaged or defective batteries
- No batteries part of recall
- No wet-cell batteries (car batteries)
- No batteries over 11 lbs
- No batteries over 300-watt hours (*such as those in electric scooters, electric bikes, & outdoor power equipment)*

Battery identification & safety guide available at:
www.batterynetwork.org
